I am very thankful for the referee's comprehensive check and comments on the manuscript. I followed all the comments.

RC2: Anonymous Referee's #2 comments:

Page 4, line 18   It would be good to add some reference concerning oscillation boxes

 Was completely considered

I would recommend to add DOI's in Reference section where it is possible, eg.

Page 9, line 2-4   https://doi.org/10.1029/97JB01423

 Was completely considered

Page 10, line 13-14   https://doi.org/10.1556/AGeod.37.2002.4.8

Page 7, line 17   should be Potsdam

 Was completely considered

Page 1, lines 23,24,25,27   I would suggest uniformly Gauss or Gauß

 Was completely considered

I am very thankful for the referee's comprehensive check and comments on the manuscript. I followed all the comments. I am especially thankful for suggesting the DOIs.
