Atmospheric electricity observations at Eskdalemuir Geophysical Observatory

R. Giles Harrison and John C. Riddick (HGSS-2023-15)

We thank the reviewers for the careful attention to our paper, and the very positive assessment both have given. We have made a small change to the manuscript as requested.

Reviewer 1

An error in the doi given in Line 362 was identified, which has now been corrected.

Reviewer 2

No changes were requested.
