Response to RC1:

Thank you for your kind review of Bodo's Obituary. I fully agree with all your comments and have made the following changes in response to your recommendations:

YOUR COMMENT: I recommend publishing the manuscript with the request to include the life-shaping aspects of early adolescence.

REPLY: I have added the following sentence right after the first sentence:

The sudden war-related upheaval and the traumatic escape were life-shaping events of his early adolescence.

YOUR COMMENT: A typo in the 11th line from the bottom of page 3: "...also in his role...".

REPLY: The typo was corrected.
